PRAYER AND DECLARATION OF FORGIVENESS

You don't have to live by the foundational stones and the imprints of forgiveness any longer.

"I declare, this day, in the name of Jesus that you are free."

What does release look like?

In the name of Jesus and the authority of His Word, I forgive you of your sins and your sins are forgiven, as far as the east from the west. This is sealed in the name of Jesus. Amen.

Say this prayer to get released from foundational stones (strongholds)?

Father, forgive me. Enable me to forgive in the very deepest level of my heart. Set me free from habit patterns and strongholds. Lord, God, give me your love that is never threatened and never threatens. Hallelujah!

And father, on this day, I give my life to you. I want to be established in you; rooted and grounded in you and your love. You guide my actions.

In the Name of Jesus! Amen!
